REDBIRD SWIM CLUB

Dear Friends,

As you may know, the Redbird Swim Club is a year-round competitive swim program consisting of over 100 swimmers from Bloomington, Normal and surrounding areas. Maintenance of this team is achieved through volunteers, mostly parents of swimmers. We are currently preparing for our upcoming swim meet.

The Redbird Swim Club will host the Redbird Valentines Open on February 12-14 at Horton Pool on the campus of ISU. This meet is an Illinois Swimming (ISI) sanctioned meet and will host between 400 -500 athletes and their families. We are expecting a large local turnout as well as teams from the Chicago area and western Illinois.

For years Redbird Swim Club meets have provided outstanding exposure for a variety of businesses. This year we are looking for 6 businesses to support our swimmers by sponsoring a lane. For the cost of \$150.00, a lane will be designated to your business. We will provide a sign with your company's name as well as verbal announcements throughout the meet acknowledging your sponsorship.

We are also offering additional event sponsorship for \$10.00 per event. Your name or business name will be printed in the heat sheet under the event where all spectators and coaches will see it. The name will also be announced during the meet when the event is swum. (100 Butterfly: Sponsored by Redbird Swim Club)

If you have any questions please contact Mark Hines at 309-531-7956.

Respectfully,

Mark Hines
Meet Director
Redbird Swim Club

Ad Submission Form:

**Valentines Open
February 12 - 14, 2010**
